

REMARKS

This Amendment, filed in reply to the Office Action dated June 28, 2005 and the Advisory Action dated November 30, 2005, is believed to be fully responsive to each point of rejection raised therein. Accordingly, favorable reconsideration on the merits is respectfully requested.

Claims 1-15 are all the claims pending in the application. Claims 1 and 6 have been amended to describe the direct physical attachment of a portable terminal and printer. This feature is not taught in the art of record. Claims 13-15 describe alternative features and are patentable for the reasons of record, which remain unrebutted by the Examiner.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
